SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>.

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **CDPH Statewide Travel Advisory**

The California Department of Public Health (CDPH) has issued a new Travel Advisory superseding the 11/13/20 guidance. Californians should avoid non-essential travel to any part of California more than 120 miles from one's place of residence, or to other states or countries. Non-essential travelers from other states or countries are strongly discouraged from entering California, and if they do, should adhere to quarantine procedures. All persons arriving in or returning to California from other states or countries should self-quarantine for 10 days after arrival, except as necessary to meet urgent critical healthcare staffing needs or engage in emergency response.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2020-LAW-54866, 02/19/21, 1417 hours:** CSWC received a call AFRCC concerning a cell phone forensics request. The initial call came from LASD requesting cellular forensic assistance in locating a 60 year old female, last seen on 02/13/21 hiking towards the 7,000 ft. summit of San Gabriel Mountain (Heaton Flats trailhead). Cal OES LDO was previously notified of a pending SAR resource request from LASD for 40 ground searchers Type I, 2 and 3. LDO coordinated with Orange County Sheriff, and San Diego Sheriff for SAR resources in addition to LASD, and San Bernardino Sheriff. Briefing at 0700 hours 02/20/21 at ICP, located at Heaton Flats Parking Lot. LASD Air Rescue 5 airship will lift search teams to insertion points for search. LASD, coordinating through Ventura Sheriff, who is providing 1 HRD and 1 Scent K-9. San Diego SO providing HRD and Area K-9's. **Update, 02/20/21, 1641 hours:** LDO contacted LASD and confirmed request for another operational period for Sunday, 02/21/21, same staging area and briefing time. LDO contacted SBSO and SDSO for SAR resources, and at 2102 hours, LASD provided updated totals for second operational period. **MISSION ONGOING**
